

## INGROUND LIMES OPAL MONOCHROMATIC

INGROUND LIMES is a high-performance linear LED inground luminaire engineered for seamless architectural lighting integration. Designed specifically for driveways, pathways, and building facades, this robust monochrome fixture delivers a continuous, uniform line of light. Featuring a heavy-duty extruded aluminum housing and a highly durable diffuser, it ensures maximum resistance against mechanical impact and harsh environmental conditions. Operating on a safe 48V DC low-voltage system, it offers exceptional energy efficiency, minimized voltage drop over long runs, and simplified installation.

TRIDONIC

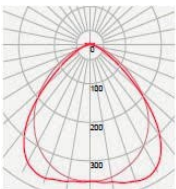

### PRODUCT SPECIFICATIONS

- INPUT VOLTAGE: 48V DC
- POWER CONSUMPTION: 12W/m
- LIFETIME: > 100 000 hours
- LUMINOUS FLUX: 126 lm/W
- LED DEVICE: PREMIUM quality LED strip TRIDONIC
- LED VARIANTS: 2700K, 3000K, 4000K
- LENGHT: 282mm to 1470mm
- OPERATING TEMPERATURE: range -25°C to +50°C
- ENVIRONMENT: for outdoor IP68
- MATERIALS: Extruded aluminium housing, extruded aluminium sleeve, PC diffuser
- CONTROL : ON/OFF or DALI (EXTERNAL DRIVER)

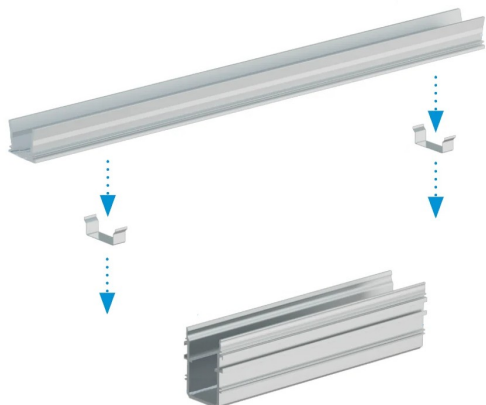

### PHOTOMETRICS

- Variants: WIDE

### ASSEMBLY

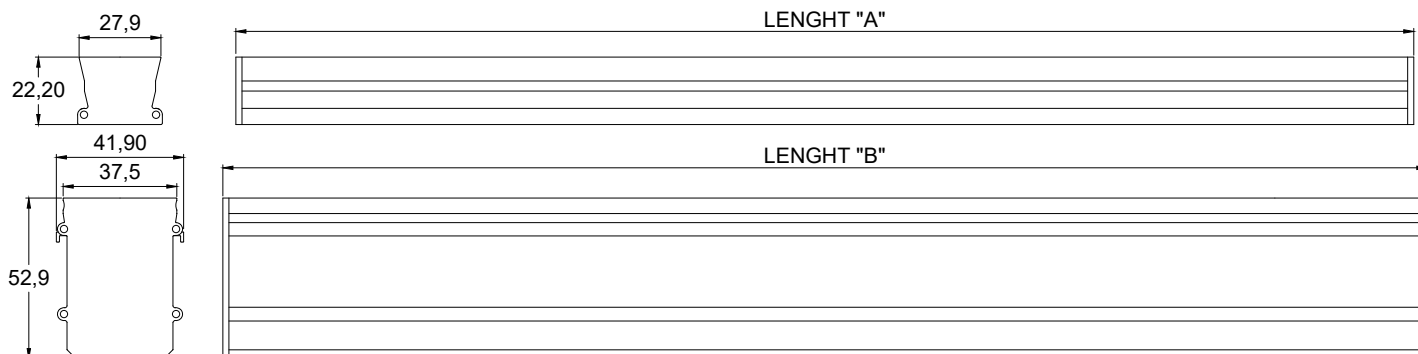

### LENGHT VARIANTS

LENGHT "A" [mm]	LENGHT "B" [mm]	POWER [W]
282	291	3,0
345	354	3,8
407	416	4,5
470	479	5,3
532	541	6,0
595	604	6,8
657	666	7,5
720	729	8,3
782	791	9,0
845	854	9,8

LENGHT "A" [mm]	LENGHT "B" [mm]	POWER [W]
907	916	10,5
970	979	11,3
1032	1041	12,0
1095	1104	12,8
1157	1166	13,5
1220	1229	14,3
1282	1291	15,0
1345	1354	15,8
1407	1416	16,5
1470	1479	17,3
