

PRECIGOBO PROJECTOR RECESSED 35W

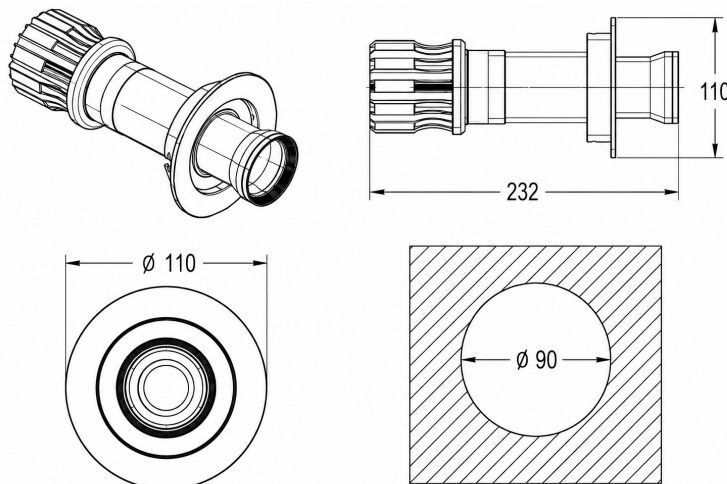

The PRECIGOBO RECESSED PROJECTOR 35W is a high-output, professional recessed projection luminaire designed for seamless ceiling integration in premium commercial, hospitality, and architectural spaces. Delivering a powerful 3,200 lumens from a high-efficiency 35W chip, it provides exceptional brightness combined with advanced physical heat dissipation. Available in static, moving, or remote-controlled variants, this fixture features a clean recessed design that blends perfectly into the ceiling for precise downward projection. With an IP50 rating and multiple beam angle options, it serves as a sophisticated branding and signage solution for catering environments, KTV rooms, shopping mall directionals, and hospitals.
